

ALL PLANTS

\$4 EACH

Brown Banana Bookstore has been very generous to allow us to sell plants at their book swap on May 4th at 10:30. Please support them. All proceeds go directly to the Peardale Farm Community Garden, and all plants have been grown by our members using Black Gold Seed Starting mix and Roots Organics 707 potting mix available at Ag Natural.

Peardale Farm Community Garden is Dedicated to the Idea that Everyone should have Access to a Garden and a Garden Community

We are a non-profit organization providing small garden plots to our members who pay a nominal annual fee to cover basic costs. We grow both individually and collectively, and love to share our knowledge of gardening with one another and with the broader community. All of our funds come from member fees, donations, and fundraising events like this plant sale.

Our garden sites have all been reserved for this season, but we invite people to join as members. The membership allows participation in our communal growing areas along with our educational community, where we all grow together.

Located at 14209 Colfax Highway at the corner of Meadow Drive.
Please contact info@peardalefarmcommunitygarden.org to arrange a tour.
